### PRODOTTI | CARATTERISTICHE TECNICHE

Technical specifications / Características técnicas / Caracteristiques techniques

	<b>Cassa in acciaio inox 304. Disponibile in acciaio inox 316 con maggiorazione prezzo</b> Carcass in 304 stainless steel. Available in 316 stainless steel with price increase Estructura en acero inoxidable 304. Disponible en acero inoxidable 316 con aumento de precio Casson en acier inoxydable 304. Disponible en acier inoxydable 316 avec majoration de prix
	<b>Ante in acciaio inox 304. Disponibili in acciaio inox 316 con maggiorazione di prezzo. Provviste di gancio di chiusura anti vento e guarnizione in gomma</b> Doors in 304 stainless steel. Available in 316 stainless steel with price increase. Provided with anti-wind closing hook and rubber seal Puertas en acero inoxidable 304. Disponibles en acero inoxidable 316 con incremento de precio. Provistas de gancho de cierre antiviento y junta de goma Portes en acier inoxydable 304. Disponibles en acier inoxydable 316 avec majoration de prix. Fourni avec crochet de fermeture anti-vent et joint en caoutchouc
	<b>Cassetti e cesti prodotti da OF in acciaio inox 304. Disponibili in acciaio inox 316 con maggiorazione di prezzo</b> Drawers and baskets produced by OF in 304 stainless steel. Available in 316 stainless steel with price increase Cajones y cestos producidos por OF en acero inoxidable 304. Disponible en acero inoxidable 316 con aumento de precio Tiroirs et paniers fabriqués par OF en inox 304. Disponible en inox 316 avec majoration de prix
	<b>Cerniere in acciaio inox 304</b> Hinges in 304 stainless steel Bisagras en acero inoxidable 304 Charnières en acier inoxydable 304
	<b>Guide in acciaio inox 304</b> Guides in 304 stainless steel Guías en acero inoxidable 304 Glissières en acier inoxydable 304
	<b>Gola e zoccolo in acciaio inox 304. Disponibili in acciaio inox 316 con maggiorazione di prezzo</b> Groove and plinth in 304 stainless steel. Available in 316 stainless steel with price increase Gola y zocalo en acero inoxidable 304. Disponibles en acero inoxidable 316 con aumento de precio Gorge et socle en acier inoxydable 304. Disponibles en acier inoxydable 316 avec majoration de prix
	<b>Piani di lavoro sp. 4 e 6 mm in acciaio inox 304. Disponibili in acciaio inox 316 con maggiorazione di prezzo</b> Worktops 4th and 6 mm in 304 stainless steel. Available in 316 stainless steel with price increase Encimeras esp. 4 y 6 mm en acero inoxidable 304. Disponibles en acero inoxidable 316 con aumento de precio Plans de travail ép. 4 et 6 mm en acier inoxydable 304. Disponibles en acier inoxydable 316 avec majoration de prix
	<b>Carter laterali sp. 4 mm in acciaio inox 304. Disponibili in acciaio inox 316 con maggiorazione di prezzo</b> Side panels 4 mm in 304 stainless steel. Available in 316 stainless steel with price increase Paneles laterales esp. 4 mm en acero inoxidable 304. Disponibles en acero inoxidable 316 con aumento de precio Parneaux latéraux ép. 4 mm en acier inoxydable 304. Disponibles en acier inoxydable 316 avec majoration de prix
	<b>Carter retro sp. 2 mm con viti a vista e sp. 4 mm con staffe nascoste</b> Back panel 2 mm with visible screws and 4 mm with hidden brackets Panel trasero esp. 2 mm con tornillos a la vista y esp. 4 mm con soportes ocultos Parneaux arrière ép. 2 mm avec vis apparentes et ép. 4 mm avec supports cachés
	<b>Piani di lavoro e carter laterali sp. 12 e 20 mm in Dekton e Laminam</b> Worktops and side panels 12th and 20 mm in Dekton and Laminam Encimeras y paneles laterales esp. 12 y 20 mm en Dekton y Laminam Plans de travail et parneaux latéraux ép. 12 et 20 mm en Dekton et Laminam
