FALLING IN LOVE WITH COUTURE

Father & Son

SHARING THEIR PASSION FOR CONTEMPORARY DESIGN

COUTURE Jardin is a family-owned company of contemporary outdoor furniture. It was founded in 2009 by Canadian designer-entrepreneur Normand Couture and his son, Philippe.

During school breaks, Normand's son would often work on dad's upholstery line in Montréal. Little did anyone know at the time, that he would eventually join his father 10 years later.

Philippe came on board as the CEO of COUTURE Jardin relocating the whole operation to Florida, USA, to better serve the fast growing company.

Today, as a father and son team, we can pride ourselves for having established a significant brand highly esteemed by contemporary design addicts worldwide. We are sharing, together, our passion to deliver, in a timely manner, authentic designs of high quality at a fair price for both residential , commercial and hospitality markets.

While we cannot talk about tradition yet, we can surely envision the next decades with a great enthusiasm, seems like…a tradition in the making !

The company is headquartered in Pompano Beach, Florida with showrooms and warehouses in North America and Asia and great people to take care of you.

COUTURE Jardin owns numerous design protections worldwide and preserves his intellectual property.

DARLING

Proudly reminiscent of the 50s design era, DARLING is an innovative Collection with a sturdy aluminum structure nicely shaped and dressed with the best materials available.
For all the good reasons, its familiar look is timeless therefore it easily adapts to multiple environments, whether residential or commercial, on its own or complementing existing decors.
The 1950 era was an exceptional time of experiment namely with bentwood, it was a time of revival after years of restraint.
As a designer, born in those years, I felt privileged to be able to acknowledge the creators of that era.
Love you Darling!

SKY CABANA

Under the sun, the moonlight or even a light rain, you will love SKY Cabanas. The 100% recyclable aluminum structure conceals an ingenious roof.Thanks to an easy to maneuver mechanism, the slats can be oriented to let the sun in or out or in between. Should the rain start to pour, hop you go, just rotate the handle to close the roof, the rain will first drip through the side gutters and then evacuate down the four posts, easy and very clever, a little piece of heaven, at your convenience.

HIGH PRESSURE LAMINATE HPL

High pressure laminate is perfectly suited for outdoor use. It is resin-impregnated and compressed under very high pressure creating a strong top with a scratch-resistant surface. These table tops basically require no maintenance and can remain outdoor all year round. Compact laminate will naturally fade slightly at the edges over time. In order to maintain the deep black color, the edges can be freshened up by rubbing linseed oil on them. It is recommended to store your furniture under covers in winter or when not in use for long periods of time.

FAUX WOOD

Our faux wood is made of plastic that is UV resistant, waterproof and colourfast. Therefore there is no need to use any conditioner or wood preservative to keep it nice for many years. It is almost maintenance free and easy to clean, you can use a soft rag with a mixture of dish soap and warm water. If needed, a soft brush can be used to loosen any dirt and debris from the surface.

ALUMINIUM POWDER COATED

Our aluminium furniture is lacquered using TIGER powdercoat finish. The electro-static application method ensures 100% coverage of the alum surface area and provides a consistent and tough finish. The resulting polyester powder-coated surface is flexible and thus knock and scratch resistant, impervious to moisture, highly resistant to corrosion and easy to clean.
