2022-2023 STOCK PROGRAM USA

SHARING THEIR PASSION FOR CONTEMPORARY DESIGN

COUTURE Jardin is a family-owned company of contemporary outdoor furniture, it was founded in 2009 by Canadian designer-entrepreneur Normand Couture and his son, Philippe.

During school breaks, Normand's son would often work on dad's upholstery line in Montréal, little did anyone know at the time, that he would eventually join his father 10 years later.

Philippe came on board as the CEO of COUTURE Jardin relocating the whole operation to Florida, USA, to better serve the fast growing company.

Today, as a father and son team, we can pride ourselves for having established a significant brand highly esteemed by contemporary design addicts worldwide. We are sharing, together, our passion to deliver, in a timely manner, authentic designs of high quality at a fair price for both residential, commercial and hospitality markets.

While we cannot talk about tradition yet, we can surely envision the next decades with a great enthusiasm, seems like...a tradition in the making!

The company is headquartered in Fort Lauderdale, Florida with showrooms and warehouses in North America and Asia and great people to take care of you.

COUTURE Jardin owns numerous design protections worldwide and preserve his intellectual property.
