TERMS & POLICIES

RECOMMENDED RETAIL PRICES IN USD

All prices shown are per single item unless indicated otherwise.

The prices are valid from October 1st 2022.
We reserve the right to make changes in the pricelist.

AVAILABILITY

QS QUICKSHIP COLLECTION
High inventory held in stock.
Ships within 10-14 working days

ST STANDARD COLLECTION
Lower inventory or stock in Denmark.
Delivery times of up to 10-12 weeks may occur.

CONDITIONS OF SALE

All prices are subject to our standard conditions of tender and sale, a copy of which will be forwarded on request.

All orders are accepted subject to being charged at the prices valid at the date of dispatch.

SPECIFICATIONS

We reserve the right to change specifications and descriptions based on technical developments and the availability of materials.

WARRANTY

HOUE offers a two year warranty on all products, both residential and commercial. All maintenance instructions must be followed to obtain warranty.

RETURNS POLICY

Written authorisation must be obtained from HOUE prior to returning any products. Products returned without prior written authorisation will be refused. HOUE only accepts the return of a product if it has a manufacturing defect.

Returned products are inspected by our Quality Control Manager and replaced or repaired if the damage is a result of a manufacturing defect. If it is determined not to be a manufacturing defect, the customer, along with the Quality Control Manager will decide what further actions to take.

Returned goods will only be accepted if returned in their original packaging.

MAP POLICIES

MAP pricing for all HOUE products can be found on your current price list. All advertised prices must be at or above MAP for all HOUE products if a MAP price has been established by HOUE. Resellers are not required to list prices in advertising. If a price is listed in an advertisement it must be equal to or above MAP. Other statements such as "call for price" or "call for quote" are acceptable and permitted.

Resellers are also responsible for ensuring their Mount pricing is at or above MAP on internet search engines.

Resellers are free to set the actual resale price of any product as long as it is at or above MAP price according to the most recent publication of the price list. HOUE's MAP policy for all HOUE products applies to advertising placements, including but not limited to:

Print ads (inserts, magazines, newspapers, catalogues, mail order etc) direct mail, faxes, internet placement with third parties (banner ads, broadcast emails, destination pages, third-party sites), internet placements on resellers' own web-sites and any flyers, posters or coupons.

All HOUE resellers are required to sign a MAP policy agreement.

Any, and all dealers selling HOUE products which have not signed an HOUE MAP policy agreement are classified as Unauthorized resellers

SRP = Suggested retail price
MAP = Minimum advertised price

**we are driven by
affordable luxury as
a philosophy**

HOUE is a Danish design house founded in 2007. We combine great comfort and design in our work.

HOUE is driven by affordable luxury as a philosophy, by choosing the right materials and solutions. We draw from a proud heritage of Scandinavian design and craftsmanship with mass appeal.

HOUE products are manufactured only on well-established factories with whom we have worked closely for several years. The products are not random mass production – every detail, joint, or component is thoroughly chosen or invented by experienced HOUE team members to make a unique product.

HOUE put a lot of effort into our product development and always meets high standards in terms of design, price, and quality.

OUTDOOR
DINING & LOUNGE

Designed by HENRIK PEDERSEN

A collection of outdoor chairs made of intelligently designed plastic lamellas combined with powder coated steel and beautiful bamboo parts. The components are carefully composed to give the lamellas exactly the right strength and resilience to provide excellent cushion free seating.

The lamellas come in many different colors and can be clicked on and off to modify the look of the chair – simply by changing or mixing the colors.

MyTrash
RECLIPS

OUTDOOR
DINING & LOUNGE

ReCLIPS is a collection of chairs with wide lamellas clipped on a powder coated aluminum frame.

The lamellas are made from Danish household plastic trash and produced in Denmark. The lamellas for the ReCLIPS collection contain 97% Danish household plastic trash added 3% color pigment. The technology behind reusing plastic household trash for furniture production is developed in Denmark. With ReCLIPS you are basically looking at the result of mixing Danish design and Danish innovation and converting this new thinking and material into a chair.

ReCLIPS Dining, Rocking, Lounge and Bar chair come in 4 mono colors, with the choice of aluminum or bamboo armrest. The Bar stool is available in black. The aluminum frame combined with the UV protected plastic lamellas keep the maintenance to a minimum.

PAON

OUTDOOR DINING & LOUNGE

A collection of chairs in powder coated steel combined with beautiful bamboo lamellas.

PAON is French for Peacock and this bird is the inspiration behind the design of the PAON chairs – take a look at the back and you will notice.

PAON is light Scandinavian in its design with a touch of French Victorian romance. All PAON chairs are blessed with a seating comfort you would not expect from a metal chair.

MyTrash
NAMI

OUTDOOR
DINING

The shell is made from Danish household plastic trash and the chair is produced in Denmark. The elegant curve in the shell is designed to resemble a wave washing over a beach. NAMI means wave and emphasizes the organic expression found in this elegant garden chair.

The design is based on the forces and lines of nature and finds its natural place outdoors exposed to wind and weather.

The beautiful, molded NAMI shell contains 97% Danish household plastic trash added 3% color pigment and the frame is powder-coated steel.

NAMI Dining chair is EU Ecolabel certified.

TABLES

OUTDOOR
DINING

Designed by HENRIK PEDERSEN

NAMI table designed by HANS THYGE & CO.

Combinations of powder coated steel or aluminum, bamboo and Danish household plastic trash create a collection of well designed outdoor dining tables which all complement HOUE dining chairs perfectly, enabling beautiful settings in the garden.

In the design process, a lot of effort is put into form and shape to make tables, that not only please the eye, but also give optimal stability and functionality.

TRAY TABLES

OUTDOOR &
INDOOR LOUNGE

EDGE designed by ROEE MAGDASSI

EYELET designed by HENRIK PEDERSEN

The tray tables can be used in many different ways – individually, as a side table, or in combination with different sizes and colors. Both EYELET and EDGE are easy to move to where they are needed – indoor as well as outdoor.

EYELET is made from powder coated aluminum and steel and EDGE from powder coated steel.

38

TRAY TABLES

OUTDOOR &
INDOOR LOUNGE

AVON

OUTDOOR
LOUNGE

Designed by HENRIK PEDERSEN

The AVON collection was designed with focus on creating a lounge collection with a very light appearance and a low sleek profile, while maintaining a high level of comfort. The simplicity of the frame, where low lines ensure, that the design always appears stylish, with and without cushions – summer or winter.

The handle of the cushions is a statement. It also adds to the function of the product, making them easy to grab and store if needed.

MOLO

OUTDOOR
LOUNGE

Designed by HENRIK PEDERSEN

A Sunbed with soft rounded bamboo lamellas and a leg construction in powder coated black steel.

The back of the MOLO Sunbed is adjustable with five different positions, which makes it possible to either lay down or sit. MOLO is versatile and can be used as a daybed too.

MyTrash
RECLIPS

OUTDOOR DINING & LOUNGE

ReCLIPS is a collection of chairs with wide lamellas clipped on a powder coated aluminum frame.

The lamellas are made from Danish household plastic trash and produced in Denmark. The technology behind reusing plastic household trash for furniture production is developed in Denmark. With ReCLIPS you are basically looking at the result of mixing Danish design and Danish innovation and converting this new thinking and material into a chair.

ReCLIPS Dining, Rocking and Lounge chair come in 4 mono colors, with the choice of aluminum or bamboo armrest. The Bar stool is available in black. The aluminum frame combined with the UV protected plastic lamellas keep the maintenance to a minimum.

Designed by Henrik Pedersen.

PAON

OUTDOOR DINING & LOUNGE

A collection of chairs in powder coated steel combined with beautiful bamboo lamellas.

PAON is French for Peacock and this bird is the inspiration behind the design of the PAON chairs – take a look at the back and you will notice.

PAON is light Scandinavian in its design with a touch of French Victorian romance. All PAON chairs are blessed with a seating comfort you would not expect from a metal chair.

Designed by Henrik Pedersen.

MyTrash
NAMI

OUTDOOR DINING

The NAMI chair consists of a powder coated steel frame with a beautifully molded plastic shell. The shell is made in Denmark from 97% Danish household plastic trash with 3% color pigment added.

The chair comes in 4 different colors: Black, dark grey, olive green and sky blue, with a frame in the same color as the shell. The shell is made from Danish household trash and the chair is produced in Denmark.

The elegant curve in the shell is designed to resemble a wave washing over a beach. NAMI means wave and emphasizes the organic expression found in this elegant garden chair.

The design is based on the forces and lines of nature and finds its natural place outdoors exposed to wind and weather.

NAMI Dining chair is EU Ecolabel certified.

TABLES

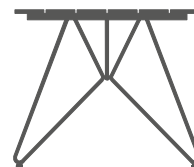

OUTDOOR DINING & LOUNGE

Combinations of powder coated steel or aluminum, bamboo and Danish household plastic trash create a collection of well designed outdoor dining tables which all complement HOUE dining chairs perfectly, enabling beautiful settings in the garden.

In the design process, a lot of effort is put into form and shape to make tables, that not only please the eye, but also give optimal stability and functionality.

TRAY TABLES

OUTDOOR & INDOOR LOUNGE

EYELET

This graphically beautiful side table can be used in many different ways – individually or in combination with different sizes and colors. The EYELET tables are easy to move to where they are needed – indoor as well as outdoor. The EYELET tray table has a special drain system, which keeps the tray free from water after a rain shower. EYELET is made in powder coated aluminum with powder coated steel legs and comes in 3 different sizes.

Designed by Henrik Pedersen.

EDGE

EDGE tray table is suitable for both indoor and outdoor use. The half ring shaped handle makes it easy to move the table between the living room and the garden, and when laid down it functions as a table edge, making sure everything stays in place. EDGE is made in powder coated steel and comes in 3 different sizes.

LEVEL

OUTDOOR LOUNGE

A collection of modular outdoor lounge furniture with powder coated aluminum frame, cushions in water repellent fabric and bamboo side tables.

The lightweight frame combined with the soft cushions create both contrast and comfort. The modules can be combined in many different ways and will entice you into a relaxed atmosphere.

LEVEL comes with 2 different fabric types, Sunbrella Natte fabric and Sunbrella Heritage fabric. Read more about these fabrics on page 122.

AVON

OUTDOOR LOUNGE

A lounge collection with a frame in powder coated black steel and soft cushions in Sunbrella fabric. The tabletop is made of thermo ash.

The AVON collection was designed with focus on creating a lounge collection with a very light appearance and a low sleek profile, while maintaining a high level of comfort. The simplicity of the frame, where low lines ensure, that the design always appears stylish, with and without cushions – summer or winter.

The handle of the cushions is a statement. It also adds to the function of the product, making them easy to grab and store if needed.

MATERIALS

OUTDOOR DINING & LOUNGE

FABRIC

SUNBRELLA HERITAGE

The Sunbrella Heritage fabric contains 50% recycled Sunbrella acrylic, 47% acrylic and 3% polyester.

Colorful fibre ends from the process of reusing the primary material may appear in the weave and vary the fabric color from one batch to another. This creates a unique fabric with a natural look and vintage charm. The fabric is OEKO-TEX® certified, water repellent, stain proof and easy to maintain.

SUNBRELLA NATTÉ

The Natte fabric is water and stain resistant and made of 100% acrylic.

BASIC

The Basic fabric is water and stain resistant and made of 100% polyester

MATERIALS

THERMO ASH

Our thermo ash is sourced from sustainably managed European forests (FSC® – FSC C153404) and is thermally treated at a temperature of at least 215°C without the addition of chemical substances, using steam to prevent splitting and cracking. This treatment gives the ash wood its impressive durability and prevents the growth of fungi and moulds.

The heat treatment of the ash wood makes the natural properties change and turns the color into a rich and warm brown color. The color of the lamellas on the AVON table top might vary slightly. This is due to the thermal process.

Over time Thermo ash develops an even grey patina due to the effects of wind and weather. To keep or to regain the warm brown color, just sand the surface and provide it with an oil suitable for wooden outdoor furniture. We recommend, to treat the Thermo ash with oil on a regular basis (3-4 times a year).

BAMBOO

Bamboo is a material that needs to be taken care of in order to maintain a rich and beautiful surface for many years. The natural material has a very hard surface, but it also becomes porous if left to dry out.

Therefore, we recommend the bamboo to be treated with oil suitable for outdoor furniture on a regular basis (3-4 times a year).
